TO MAKE A DONATION

In these challenging times, let's remember the strength in solidarity and supporting each other. As union members, our collective power and empathy are our greatest assets. Together, we'll overcome this challenge and emerge stronger.

If you're able, please **lean in**. For those in need, **lean on** your fellow members during this strike. A \$25 donation provides a Thanksgiving meal for a family in need, ensuring a warm holiday season. Additionally, any extra donations for our holiday gift drive directly support families in need. Let's bring joy and relief to those who are struggling.
